Our Standard Commitment Requirement: The standard commitment for new clients is a 3 month commitment. After the initial 3 months the agreement becomes a month to month agreement and the client may cancel at any time. If a client wishes to cancel they would simply call or email us and request cancellation, at which time they will be issued a cancellation number. If a client cancels, their campaign will run until the end of its current monthly cycle and then shut down and they will not incur any new charges. Each previous transaction is final and there are no refunds.
